

Bangladesh, August, 2017

## Letter of Recognition

The Accord on Fire and Building Safety (Accord) hereby recognizes that the Safety Committee at:

### **Orbitex Knitwear Limited (ID-9605)**

Gorat, Sarker Market Road, Ashulia

Has successfully completed the Accord Training Curriculum between March and August in 2017.

Through this training program, the Safety Committee members have received training in the following aspects:

- The fundamentals of the Safety Committee
- Safety Committee support for safety remediation at the factory
- Receiving and resolving safety complaints raised by workers
- Labour-management joint problem solving techniques
- Workplace hazard identification and control
- Establishing workplace safety maintenance and monitoring system

The Accord believes that the Safety Committee has been equipped to effectively address and monitor safety and health issues on a day-to-day basis at the factory.

Factory safety is a continuous process which requires regular monitoring, maintenance, and in-factory safety systems and practices.

The Accord will continue to support the Safety Committee, factory managers and workers in institutionalizing and further advancing such culture of safety and health at the factory.

The Accord extends our congratulations to the managers and workers of the **Orbitex Knitwear Limited** Safety Committee for achieving this safety milestone.
